

Marine Diesel Engine Chains

船舶发动机链条

The Marine Diesel Engine Chain is attached to engines of various types of vessels and rotates the camshaft axis. It is manufactured with high durability, fatigue resistance, and strength. The Marine Diesel Engine Chain, all over the world, including Dong Bo's products, conforms to the British Standard. Dong Bo chain has acquired certificate for the chain by Man B&W, the 4th chain brand in the world.

船舶发动机链条适用于各种船舶发动机和曲轴上，具有高强度的耐久性、抗疲劳性和载荷。全世界包括东宝公司的产品都适用于英国标准。东宝的船舶发动机链条通过MAN B&W认证，东宝链条成为世界上第四个通过此认证的品牌。
